Accounts

What is TRACKS?

TRACKS is Florida Institute of Technology's account system that provides a single username and password for access to all university services granted to a user.

Current Students, Faculty and Staff

Your TRACKS account and password is used for:

- Email: [Exchange](https://www.fit.edu/exchange) (for faculty/staff) or [Gmail](https://www.gmail.com) (for students)
- [Access Florida Tech](https://www.fit.edu/accessflorida)
- [Canvas](https://www.fit.edu/canvas) (Learning Management System for students and faculty)
- [Computer Labs](https://www.fit.edu/computers-labs)
- Instructor Workstations
- All university computers joined to the FLTECH domain

Prospective Students

Your TRACKS account and password is used only for [PantherPass (Online Check-in)](https://www.fit.edu/pantherpass) and [PAWS (Panther Access Web System)](https://www.fit.edu/paws).

Former Students (Alumni and Students who have previously attended Florida Tech)

Your TRACKS account and password is used only for [PAWS](https://www.fit.edu/paws) (Panther Access Web System) and @my.fit.edu email provided by Google Applications. For former students who do not have a TRACKS account, please contact the Technology Support Center at (321) 674-7284.
