How do I access my courses online?
Depending on what type of student you are you will access your online classes:

Main Campus Undergraduate, Graduate, Continuing Education (Including Applied Behavioral Analysis Certificate Program), Extended Studies Student

Florida Tech uses a Web-based course content management system called CANVAS. You can access your online courses by visiting http://canvas.fit.edu and logging on with your TRACKS account or from ACCESS and clicking on the Canvas Icon in the Student Launchpad.

For University Alliance Online students

You may find your courses by visiting FloridaTechOnline. You can login with either your TRACKS or your University Alliance login.
