Master Calendar

How can I share an event?
Sharing an event through the Master Calendar is fairly simple. You can share an event via email or through a social media platform (ie. Facebook, Twitter, etc.).

Email

To share an event via email:

- Click on the event you would like to share.
- Click the "Email a Friend" icon.

Social Media

To share an event via social media:

- Click on the event you would like to share.
- Click the "Add This" icon.
- Choose which social media platform you would like to share the event on.

Any questions or problems regarding the sharing of an event, please inquire Tech Support at techsupport@fit.edu or at (321) 674-7284. For question on viewing, filtering, and managing calendars, please refer to the FAQ's in the Master Calendar category.
