How to add email to your black/white list from Bulk (SPAM) Inbox (Faculty/Staff)?

1. Go to the website https://spam.fit.edu
2. Login with your TRACKS (Exchange Email) account. Ex: username@fit.edu and password
3. In your Bulk inbox, right click on the message that you want to add to your black/white list.
4. Select black list or white list and the email associated with the message will be added to the appropriate list.
5. Click the “Log Out” button in the upper right to exit.
