Google Applications

What is Google Apps?

A bridge between our organization and Google products. On one side, we have communication and collaboration needs for our school. On the other side, there are successful, innovative, online personal Google products. Google Apps allows us to **embrace the strengths of both sides**.

Google quality, Google connectivity. Our school, our people. Powerful, easy-to-use tools. Communicate via email, instant messaging, and voice calls. Create and share calendar events, documents, and spreadsheets. Access it all from one place - the [Start Page](https://services.fit.edu/it_faq/content/24/147/en/what-is-google-apps.html).
